Analysis and explanation of the increase or decrease percentage:

- Decrease in sales revenue: The Chemical and Oil Tank Storage Division's operating revenue decreased by approximately \$42.3 million, or 12%, mainly due to (1) There were more changes in the oil tank customers because of significant changes in the oil trading market affected by the international situation. Some customers did not renew their leases when the contracts expired and some customers leased more tanks for a certain period of time, resulting in a successive decrease in sales revenue. However, there was a significant increase in the overall throughput volume, compared to last year; (2) There were increase and decrease among chemical tank customers. The sales revenue and throughput volume ramped up a bit. The Energy Division's revenue increased by approximately \$12.47 million, or 14%, compared with the previous period due to the addition of new solar power generation sites.
- 2. The increase in operating costs was mainly from (1) increase in the Chemical and Oil Tank Storage Division of approximately \$6.37million, which includes the increase in travelling expenses (due to the gradual resumption of travelling after the waning of the Covid-19), utilities expenses (due to the increase in electricity unit prices), nitrogen expenses (due to the addition of new customers' products requiring nitrogen and the increase in the unit price of nitrogen resulting from the increase of electricity unit prices), and import/export expenses (due to an increase in the throughput volume); while the decreases were due to the decrease in the fuel expenses - palm oil (due to the decrease of products requiring heating and insulation) and repair and maintenance expenses (due to cost-cutting management measures), etc. (2)The increase of approximately \$8.97 million in the Energy Division was mainly due to the recognition of depreciation expenses for the new solar power generation sites, and a slight increase in repair expenses
- 3. The decrease in operating expenses was mainly due to Selling expenses decreased by \$0.9 million due to there was no donations associated with business development in 2023. Administrative expenses decreased approximately by \$2.05 million primarily due to the salary expense recognized for share-based payment agreement compensation fees in connection with a cash capital increase in 2022, compared to none in 2023.

- 4. Decrease in non-operating income and expenses:
  - The increase in other income was mainly due to the increase of cash dividends received from financial asset at fair value through profit or loss and financial assets at fair value through other comprehensive income;
  - (2) The decrease in other gains and losses was mainly due to the aggregate effect of decrease in valuation adjustments on financial assets at fair value through profit or loss compared to the previous period and the gain on disposal of subsidiary.
  - (3) The increase in finance costs was not only affected by the increase in financing interest rates, but also by the reduction in capital expenditure on projects and the relatively significant decrease in the amount of interest capitalized during the period, which resulted in an increase in directly expensed finance costs as compared to 2022;
  - (4) The increase in the share of profits and losses of affiliates and joint ventures recognized under the equity method was mainly due to the improving of operating income of the investee company.
- 5. The decrease in income tax expense was due to the decrease in net income before income tax resulting from all the factors mentioned above.
- 6. Decrease in other comprehensive income(net): Mainly due to the decrease in the cumulative translation adjustment of foreign currencies, with the decrease in the U.S. dollar exchange rate compared to the previous period.
- 四、2024 business plan outline
  - 1. Boost Revenue Generation

#### Independent Auditors' Report

To the Board of Directors and Shareholders of Prime Oil Chemical Service Corporation:

#### Opinion

We have audited the accompanying Standalone Balance sheets of Prime Oil Chemical Service Corporation as of December 31, 2023 and 2022 and the related Standalone Statements of Comprehensive Income, Standalone Statements of Changes in Equity and Standalone Statements of Cash Flows for the periods then ended and the Notes to the Standalone Financial Statements (including a summary of significant accounting policies).

Based on our review, nothing has come to our attention that causes us to believe that the financial statements of Prime Oil Chemical Service Corporation are not prepared, in all material respects, in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and present fairly the standalone financial position of Prime Oil Chemical Service Corporation as of December 31, 2023 and 2022 as well as its standalone financial performance and standalone cash flow then ended.

#### **Basis for Audit Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Republic of China Generally Accepted Auditing Standards (ROC GAAS). Our responsibilities under such standards will be elaborated in the paragraph of Independent Accountants' responsibilities for audits of standalone financial statements. Our personnel subject to the independence requirements have complied with the Codes of Professional Ethics for Certified Public Accountants in the Republic of China (hereinafter referred to as the "Codes"), have been independent of Prime Oil Chemical Service Corporation, and have fulfilled other ethical responsibilities under such Codes. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our opinion.

#### Key inspection items

Key inspection items refer to those matters that, in our professional judgment, are of most significance in relation to our audit of Prime Oil Chemical Service Corporation's Standalone Financial Statements as of 2023. These matters have been addressed in the process of our audit of the Standalone Financial Statements as a whole and forming our opinion thereon and we do not express an opinion on these matters individually.

Key inspection items of Prime Oil Chemical Service Corporation's Standalone Financial Statements as of 2023 are as follows:

#### Evaluation of other equipment impairment

#### Description

For property, plant and equipment, please refer the Note 6(7) of the Standalone Financial Statements. For accounting policies of impairment assessment and significant accounting judgments, assumptions and uncertainty of Estimations, please refer to Note 4(17) and 5 of the Standalone Financial Statements, respectively.

Prime Oil Chemical Service Corporation's other equipment (under property, plant and equipment) is the major asset related to the solar power generation division with a book value of NT\$715,623 thousand, accounting for 37% of the total standalone assets. Due to the scarcity of available solar power land and difficulty of developing large sites, Prime Oil Chemical Service Corporation estimates the amount recoverable of other equipment based on the value in use and applies it as the basis of the impairment assessment. Since the value-in-use evaluation process involves judgment of changes due to variations of economic environment or climate conditions and uncertainties to the future due to changes in estimation results brought by the conditions, which could have a significant impact on the recoverable amount measurement and in turn affects the assessment of impairment amount, we consider the impairment assessment of other equipment, a key inspection item.

#### Audit procedure in response

The audit procedures we performed are set out below:

- 1. Review management's estimates of recoverable amounts of other equipment at the balance sheet date and reassess the correctness of the related calculations.
- 2. Understand and evaluate that the Company's asset impairment assessment procedures and accounting policies are complied with the accounting principles and are consistently applied, including a review of the methods adopted by the management when determining recoverable amounts.
- 3. Obtain assessment information used by management for determining recoverable amounts based on asset use patterns and industry characteristics and assess the reasonableness of the independent cash flows, the durable years of the assets and the potential future revenues and expenses.
- 4. Compare the recoverable amount with the carrying amount to examine the correctness of the impairment calculation.

# The management's and governance units' responsibilities to the Standalone Financial Statements

The management's responsibility is to prepare the Standalone Financial Statements that present fairly the Company's financial position in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and maintain the necessary internal controls relevant to the preparation of the Standalone Financial Statements to ensure that the Standalone Financial Statements are free from material misstatements, whether due to fraud or error.

In preparing the Standalone Financial Statements, the responsibility of the management also includes evaluating the ability of the Company's going concern, disclosure of related matters and adoption of the going concern basis of accounting, unless the management intends to liquidate Prime Oil Chemical Service Corporation or to cease its operations or has no practical alternative to liquidation or cessation of operations.

Prime Oil Chemical Service Corporation's governance unit (including the audit committee) is responsible for overseeing the financial reporting process.

# Independent Auditors' responsibilities to auditing the Standalone Financial Statements.

The purpose of our audit is to obtain reasonable assurance about whether or not the Standalone Financial Statements as a whole are free from material misstatements resulting from fraud or error and to issue an audit report thereon. Reasonable assurance represents a high assurance, however the audit work conducted in accordance with the Republic of China Generally Accepted Auditing Standards does not provide assurance that material misstatements in the Standalone Financial Statements can be detected. Misstatements might result from fraud or error. If the individual amounts or aggregates of misstatements could reasonably be expected to affect economic decisions made by the users of the Financial Statements, such amounts are deemed material.

We applied our professional judgment and maintained our professional skepticism in our audit in accordance with the Republic of China's Generally Accepted Auditing Standards. We also conducted the following work:

- 1. Identify and assess the risk of material misstatements resulting from fraud or error; design and implement appropriate countermeasures for the assessed risks; and obtain sufficient and appropriate audit evidence as the basis of our audit opinion. Since fraud may involve conspiracy, forgery, intentional omission, misrepresentation or a breach of internal control, the risk of not detecting a material misstatement due to fraud is higher than what is due to error.
- 2. Obtain the necessary understanding of internal controls relevant to the audit to design audit procedures that are appropriate in the circumstances, provided that the objective is not to express an opinion on the effectiveness of Prime Oil Chemical Service Corporation's internal control.
- 3. Evaluate the appropriateness of the accounting policies adopted by management and the reasonableness of the accounting estimates and related disclosures they made.
- 4. Based on the evidence obtained, draw conclusions regarding the appropriateness of management's adoption of accounting basis for a going concern and whether or not there is any material uncertainty regarding events or circumstances that may cast a significant doubt on Prime Oil Chemical Service Corporation's ability in continuing operations. If we believe that a material uncertainty exists with respect to any such events or circumstances, we shall draw the attention of users of the Standalone Financial Statements to the relevant disclosures in the Standalone Financial Statements or amend our audit opinion when such disclosures are inappropriate. Our conclusion is based on the audit evidence obtained up to the date of the audit report. However, future events or circumstances may cause Prime Oil Chemical Service Corporation to cease to have the ability of continuing operations.
- 5. Evaluate whether or not the overall presentation, structure and content of the Standalone Financial Statements (including the related notes) and the Standalone Financial Statements fairly present the relevant transactions and events.
- 6. Obtain sufficient and appropriate audit evidence on the financial information that constitutes Prime Oil Chemical Service Corporation's financial position to provide our opinion on the Standalone Financial Statements. We are responsible for the direction, supervision and execution of the standalone audit project and for developing standalone audit opinions.

Our communication with the governance units includes the planned scope and timing of our audits and significant audit findings (including any significant deficiencies in internal control identified during our audits)

We also provide the governing unit with a statement that the independence-regulated personnel of our firm have complied with the ROC Code of Professional Ethics with respect to independence and communicate with the governing unit concerning all relationships and other matters (including related safeguards) that may be perceived to affect the independence of the accountant.

From the matters communicated with the governance unit, we determine the key inspection items for Prime Oil Chemical Service Corporation's 2023 Standalone Financial Statements. We describe these matters in our audit report unless law or regulation precludes public disclosure about such matters or when, in extremely rare circumstances, we determine that a matter would not be communicated in our report since the adverse consequences of doing so would reasonably be expected to outweigh the public benefits of such communication.

Managerial officer: Yeh Tang-jung

To the Board of Directors and Shareholders of Prime Oil Chemical Service Corporation:

#### Opinion

We have reviewed the accompanying consolidated balance sheets of Prime Oil Chemical Service Corporation and its subsidiaries (hereinafter referred to as the "Corporate Group") as of December 31, 2023 and 2022 and the related consolidated comprehensive income statements, consolidated statements of changes in equity and consolidated cash flow statements for the periods then ended, and notes to the consolidated financial statements (including a summary of the significant accounting policies).

Based on our review, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Prime Oil Chemical Service Corporation as of December 31, 2023 and 2022, and the consolidated financial results and consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, International Financial Reporting Standards, International Accounting Standards, explanations and announcements of explanations recognized by the Financial Supervisory Commission.

#### **Basis for Audit Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Republic of China Generally Accepted Auditing Standards (ROC GAAS). Our responsibilities under such standards will be elaborated in the paragraph of the Independent Auditors' responsibilities for audits of consolidated financial statements. Our personnel subject to the independence requirements have complied with the Codes of Professional Ethics for Certified Public Accountants in the Republic of China (hereinafter referred to as the "Codes"), have been independent of Prime Oil Chemical Service Corporation, and have fulfilled other ethical responsibilities under such Codes. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our opinion.

#### Key inspection items

Key inspection items refer to those matters that, in our professional judgment, are of most significance in relation to our audit of Prime Oil Chemical Service Corporation's Consolidated Financial Statements as of 2023. These matters have been addressed in the process of our audit of the Consolidated Financial Statements as a whole and forming our opinion thereon and we do not express an opinion on these matters individually.

Key inspection items of Prime Oil Chemical Service Corporation's Consolidated Financial Statements as of 2023 are as follows:

#### Evaluation of other equipment impairment

#### Description

For property, plant and equipment, please refer the Note 6(7) of the Consolidated Financial Statements. For accounting policies of impairment assessment and significant accounting judgments, assumptions and uncertainty of estimations, please refer to Note 4(18) and 5 of the Consolidated Financial Statements respectively.

Prime Oil Chemical Service Corporation's other equipment (under property, plant and equipment) is the major asset related to the solar power generation division with a book value of NT\$898,507 thousand, accounting for 47% of the total consolidated assets. Due to the scarcity of available solar power land and difficulty of developing large sites, Prime Oil Chemical Service Corporation estimates the amount recoverable of other equipment based on the value in use and applies it as the basis of impairment assessment. Since the value-in-use evaluation process involves judgment of changes due to variations of economic environment or climate conditions and uncertainties to the future due to changes in estimation results brought by the conditions, which could have a significant impact on the recoverable amount measurement and in turn affects the assessment of impairment amount, we consider the impairment assessment of other equipment, a key inspection item.

#### Audit procedure in response

The audit procedures we performed are set out below:

- 1. Review management's estimates of recoverable amounts of other equipment at the balance sheet date and reassess the correctness of the related calculations.
- 2. Understand and evaluate that the Company's asset impairment assessment procedures and accounting policies are complied with the accounting principles and are consistently applied, including a review of the methods adopted by management when determining recoverable amounts.
- 3. Obtain assessment information used by management for determining recoverable amounts based on asset use patterns and industry characteristics and assess the reasonableness of the independent cash flows, the durable years of the assets and the potential future revenues and expenses.
- 4. Compare the recoverable amount with the carrying amount to examine the correctness of the impairment calculation.

#### **Others - Standalone Financial Reports**

Prime Oil Chemical Service Corporation has prepared its financial statements for the years ended December 31, 2023 and 2022, and we have issued an unqualified audit report thereon for reference.

#### The management's and governance units' responsibilities to the Consolidated

#### **Financial Statements**

The management's responsibility is to prepare the Consolidated Financial Statements that present fairly the Company's financial position in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and maintain the necessary internal control relevant to the preparation of the Consolidated Financial Statements to ensure that the Consolidated Financial Statements are free from material misstatements, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the responsibility of the management also includes evaluating the ability of the Company's going concern, disclosure of related matters, and adoption of the going concern basis of accounting, unless the management intends to liquidate Prime Oil Chemical Service Corporation or to cease its operations or has no practical alternative to liquidation or cessation of operations.

Prime Oil Chemical Service Corporation's governance unit (including the audit committee) is responsible for overseeing the financial reporting process.

# Independent Auditors' responsibilities to auditing the Consolidated Financial Statements.

The purpose of our audit is to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatements resulting from fraud or error and to issue an audit report thereon. Reasonable assurance represents highly assurance, however the audit work conducted in accordance with the Republic of China Generally Accepted Auditing Standards does not provide assurance that material misstatements in the Consolidated Financial Statements can be detected. Misstatements might result from fraud or error. If the individual amounts or aggregates of misstatements could reasonably be expected to affect economic decisions made by the users of the Consolidated Financial Statements, such amounts are deemed material.

We applied our professional judgment and maintained our professional skepticism in our audit in accordance with the Republic of China's Generally Accepted Auditing Standards. We also conducted the following work:

- 1. Identify and assess risk of material misstatements resulting from fraud or error; design and implement appropriate countermeasures for the assessed risks; and obtain sufficient and appropriate audit evidences as the basis of our audit opinion. Since fraud may involve conspiracy, forgery, intentional omission, misrepresentation or a breach of internal control, the risk of not detecting a material misstatement due to fraud is higher than what is due to error.
- 2. Obtain the necessary understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances, provided that the objective is not to express an opinion on the effectiveness of Prime Oil Chemical Service Corporation's internal control.
- 3. Evaluate the appropriateness of the accounting policies adopted by management and the reasonableness of the accounting estimates and related disclosures they made.

- 4. Based on the evidence obtained, draw conclusions regarding the appropriateness of the management's adoption of accounting basis for going concern and whether there is any material uncertainty regarding events or circumstances that may cast significant doubt on Prime Oil Chemical Service Corporation's ability in continuing operations. If we believe that a material uncertainty exists with respect to any of such events or circumstances, we shall draw the attention of users of the Standalone Financial Statements to the relevant disclosures in the Standalone Financial Statements or amend our audit opinion when such disclosures are inappropriate. Our conclusion is based on the audit evidence obtained up to the date of the audit report. However, future events or circumstances may cause Prime Oil Chemical Service Corporation to cease to have the ability of continuing operations.
- 5. Evaluate whether or not the overall presentation, structure and content of the Consolidated Financial Statements (including the related notes) and the Standalone Financial Statements fairly present the relevant transactions and events.
- 6. Obtain sufficient and appropriate audit evidence on the financial information that constitutes Prime Oil Chemical Service Corporation's financial position to provide our opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and execution of the audit project and for developing audit opinions of Prime Oil Chemical Service Corporation.

Our communication with the governance units includes the planned scope and timing of our audits and significant audit findings (including any significant deficiencies in internal control identified during our audits)

We also provide the governing unit with a statement that the independence-regulated personnel of our firm have complied with the ROC Code of Professional Ethics with respect to independence and communicate with the governing unit concerning all relationships and other matters (including related safeguards) that may be perceived to affect the independence of the accountant.

From the matters communicated with the governance unit, we determine the key inspection items for Prime Oil Chemical Service Corporation's 2023 Consolidated Financial Statements. We describe these matters in our audit report unless law or regulation precludes public disclosure about such matters or when, in extremely rare circumstances, we determine that a matter would not be communicated in our report since the adverse consequences of doing so would reasonably be expected to outweigh the public benefits of such communication. ## Rules of Procedure for Shareholders Meetings

Revised in the general shareholders' meeting on June 23, 2022

- I. The shareholders' meeting of the Company shall be conducted in accordance with these rules of procedure, except where otherwise provided in laws and regulations or the Articles of Association.
- II. Unless otherwise specified by laws and regulations, shareholder meetings of the Company are to be convened by the Board of Directors.

The Company shall, 30 days prior to the annual general meeting of shareholders or 15 days prior to the special meeting of shareholders, upload the notice of convening of the shareholders' meeting, the power of attorney, the proposals for recognition, discussion, election or dismissal of directors, etc. in electronic formats to the official site of the Market Observation Post System (MOPS). At least 21 days before the annual general meeting of shareholders or 15 days before the special meeting of shareholders, an electronic copy of the shareholder meeting handbook and supplementary information shall be prepared and posted onto MOPS. Physical copies of the shareholder meeting conference handbook and supplementary information shall be prepared at least 15 days before the meeting and made accessible to shareholders upon request. These documents must also be available at the Company's premises and at the stock transfer agent, and be available upon request on-site on the shareholder meeting day.

The notice shall specify the reason for the convening; if the counterparty consents, the notice may be transmitted in electronic formats.

The following shall be listed in the convening reasons, and shall not be proposed as an extempore motion : the election or dismissal of directors, changes to the articles of association, capital reduction, application for suspension of public offering, removal of director's non-competition restriction, capital increase from earnings, capital increase from reserve, company dissolution, merger, division, or other matters in paragraph 1, Article 185 of the Company Act, Article 26-1 and Article 43-6 of the Securities and Exchange Act, Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers. The aforesaid main contents may be put on the website designated by the securities regulatory authority or the Company, and the website address shall be specified in the notice.

Shareholders holding more than 1% of the total issued shares may submit proposals to the Company's annual general meeting of shareholders in accordance with the provisions of Article 172-1 of the Company Act.

III. Shareholders attending the meeting shall hand in the attendance card, instead of signing in. The number of shares attending the meeting shall be included the attendance cards handed in, and the number of shares exercising voting rights in written or electronic form.

The Company shall state the time and place for the registration of shareholders, and other matters that shall be noted, in the meeting notice

The aforementioned registration of shareholders shall be at least 30 minutes prior to commencement of the meeting.

IV. The chairman of the meeting shall call the meeting to order at the specified meeting time. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chairman may announce a meeting postponement, provided that the number of such postponement is no more than two, and the total

time no more than one hour. If the attending shareholders still do not represent one third of the total number of issued shares after two postponements, the chairman shall declare the meeting aborted.

If the quorum is still not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to paragraph 1, Article 175 of the Company Act, and all shareholders shall be notified of the tentative resolution and another shareholders' meeting shall be convened within one month.

Before the adjournment of the current meeting, if the number of shares present reaches more than half of the total number of issued shares, the chairman may resubmit the tentative resolution for voting by the shareholders' meeting pursuant to Article 174 of the Company Act.

If the shareholders' meeting is convened by the Board of Directors, the agenda shall be determined by the Board of Directors, and relevant proposals (including extempore motions and amendments to original proposals) shall be voted on a caseby-case basis. The meeting shall be proceeded in accordance with the scheduled agenda, which shall not be changed without the resolution of the shareholders' meeting.

V.

If the shareholders' meeting is convened by a person other than the Board of Directors who has the right to convene, the provisions of the preceding Paragraph shall apply mutatis mutandis.

The chairman may not declare the meeting adjourned prior to completion of the meeting agenda (including extempore motions) of the preceding two paragraphs except by a resolution of the shareholders' meeting. If the chairman declares the meeting adjourned in violation of the rules of procedure, a majority of the shareholders present may elect another chairman to continue the meeting.

- VI. During the meeting, the chairman may announce a break at his/her discretion.
- VII. Before any attending shareholder gives a speech, he/she shall fill in the speech slip stating the gist of the speech, the shareholder's account number (or attendance certificate number) and account name, and the chairman will determine the order for presenting speeches. The attending shareholder who only submits the speech slip without making a speech is deemed to have not made a speech. If the content of the spoken speech is inconsistent with the record of speech slip, the content of the spoken speech shall prevail. When an attending shareholder makes a speech, other shareholders shall not interfere with the speech unless having obtained the consent of the chairman and the speaking shareholder, and the chairman shall stop anyone from violating the above.
- VIII. Each shareholder shall not make more than two statements for the same proposals without the chairman's consent, and each statement shall not exceed five minutes. If the shareholder's speech violates the rules or goes beyond the scope of the proposal, the chairman may stop the shareholder or suspend his/her speech, and other shareholders may also request the chairman to do so.
- IX. The chairman shall provide sufficient explanations and opportunities for discussion on the proposals and the amendments or extempore motions proposed by shareholders. When the chairman deems that the proposal has reached a sufficient level for voting, he/she may announce the end of the discussion and arrange a suitable time for voting.
- X. Unless otherwise stipulated in the Company Act and the Articles of Association of the Company, a resolution shall be adopted with the consent of more than half of the

voting rights of the shareholders present. When voting, shareholders shall vote after the chairman or his designated person announces the total number of voting rights of shareholders present, and after the shareholders' meeting is held, the results of voting of in favor, opposed and abstained shall be entered onto MOPS.

- XI. Voting in the shareholders' meeting shall be based on the number of shares.
- XII. The venue of the shareholders' meeting shall be where the company is located or a venue convenient for shareholders to attend, and suitable for the shareholders' meeting; the meeting start time shall be between 9 am and 3 pm.
- XIII. If the shareholders' meeting is convened by the Board of Directors, the chairman of the Board of Directors shall be the chairman of the shareholders' meeting. When the chairman asks for leave or is unable to exercise his/her capacity for any reason, the vice chairman shall act as the proxy. If there is no vice chairman or the vice chairman also asks for leave or is unable to exercise his/her capacity for any reason, the chairman shall appoint a managing director to act as the proxy; if there is no managing director, the chairperson shall appoint one director to act as the proxy. If the chairperson does not designate any proxy, the managing director or the directors shall elect one among them to act as the proxy.

If the shareholders' meeting is convened by a person with the right to convene other than the Board of Directors, the chairperson shall be such person with the right to convene. If there are two or more persons with the right to convene meetings, one of such persons shall be elected as the chairperson.

- XIV. The Company may designate appointed lawyers, accountants or relevant personnel to attend the shareholders' meeting as attendees. Personnel handling administrative affairs of a shareholders' meeting shall wear identification cards or arm bands.
- XV. The Company shall record in audio or video form the whole process of the shareholders' meeting, and keep it for at least one year.
- XVI. When there are several amendments or alternatives to the same proposal, the chairperson shall determine the order of voting on such proposal with the original one. If one of the proposals reaches resolution, the other proposals shall be deemed to be rejected and no further voting would be required.
- XVII. When a legal person attends the shareholders' meeting, only one representative of the legal person may attend the meeting. When a legal person shareholder appoints two or more representatives to attend the shareholders' meeting, only one of these representatives may make a speech on each of the proposals.
- XVIII. After attending shareholders' speeches, the chairperson may reply in person or designate relevant personnel for replying.
- XIX. The scrutineers and vote-counters for voting on the resolution shall be designated by the chairperson, but the scrutineers shall be one of the shareholders . The counting of votes for voting on proposals or election at the shareholders' meeting

shall be done publicly in the meeting, and after the votes are fully counted, the results shall be announced on the spot, including the weight for statistics, and a record shall be made.

When there is an election of directors at the shareholders' meeting, it shall be handled in accordance with the relevant election and appointment regulations set by the Company, and the election results shall be announced on the spot, including the list of elected directors and their voting rights won.

XX. The chairperson may direct the pickets (or security personnel) to assist in maintaining order in the meeting. When the pickets (or security personnel) are present to assist in maintaining order, they shall wear an armband with the word "picket".

XXI. These Regulations shall be implemented after being approved by the shareholders' meeting, and the same procedure shall apply to its amendments.
